The Bar Council Legal Aid Centre Selangor (LAC) provides legal assistance to those unable to afford legal representation, embodying the principle that justice should not be limited by socio-economic status. Yayasan Bantuan Guaman Kebangsaan (YBGK) complements this mission by offering legal aid specifically in criminal cases, ensuring that individuals facing criminal charges are provided adequate legal support, regardless of financial constraints.

In addition to serving the community, LAC also plays an integral role in the professional development of pupil-in-chambers through a structured programme organized with NGOs and other agencies. These programmes not only foster a sense of responsibility among the pupils, but also

contribute to their understanding of the importance of legal aid services in society.

The core programmes of the LAC are:

- (i) LAC Walk-in Clinic;
- (ii) Law Awareness and Outreach Programme; and
- (iii) Pupils-in-Chambers compulsory legal aid duty.

As at 31 Dec 2024, LAC Selangor served 50,082 LAC & YBGK clients. Kindly refer to the Table attached at the end of this report for details.
