It is with great pleasure that this Sub-committee reports on the following activities:

1. Selangor Bar Bukit Wawasan Hike

The Selangor Bar Bukit Wawasan Hike took place on 1 September 2024, with approximately 30 participants coming together for a day of adventure, camaraderie, and appreciation of nature. This was a collaborative event organized with the Sports, Recreation & Health Sub-Committee. The objectives were to promote physical wellness, environmental awareness and bonding between Members and Pupils-in-Chambers. The event's success highlights a growing interest in outdoor activities, underscoring the importance of such initiatives in fostering a healthier and more connected Bar.

2. Selangor Bar Bowling Competition

The Selangor Bar Bowling Competition took place on 28 December 2024 at Wangsa Bowl, One Utama. This was another collaborative event organized with the Sports, Recreation & Health Sub-Committee. Heartiest congratulations to the Champion, 1st Runner-Up, 2nd Runner-Up teams, and the Top Scorer, Mr. Mageswaran! The event proved to be a resounding success, celebrating the thrill of bowling while fostering a sense of camaraderie among participants. The day was filled with laughter and cheers in the spirit of “Friendship First, Competition Second.” In closing, everyone is eagerly looking forward to the next edition.

3. Pupils' Introductory & Interview Session

Every pupil is required to attend a mandatory Introductory Session organised by the Selangor Bar Committee. The session begins with a briefing by the Legal Aid Centre which covers the mandatory legal aid service, followed by a session conducted by the Young Lawyers & Pupils Sub-Committee. The pupils were briefed on the filing of petition, Introduction Form, Referee Form, Particulars of Petitioner's Form, mandatory four (4) CPD talks organised by the Selangor bar Committee, ethic course, professional etiquette, court's decorum and attire, duty to the courts and clients and etc. Thereafter, the pupils present are "interviewed" by the Committee Members present. The pupils are also given the opportunity to ask questions concerning their pupilage and practice. The Committee Members present also shared their experience and knowledge to the pupils. We trust that the pupils have gained valuable guidance and advice from the session. The sessions were interactive, engaging and educational. The usual group photo will be taken before the pupils shall obtain the Committee Members' signature on the Introduction Form. During this term, a total of 10 sessions have been conducted, involving approximately 650 pupils from March 2024 to January 2025.

4. Long Call & Admission to the Bar

We continue to encourage the pupils to file their petition to be called to the Bar at the Shah Alam High Court. In this term, a total of approximately 500 pupils were admitted as Advocates & Solicitors of the High Court of Malaya. The Young Lawyers & Pupils Sub-Committee takes this opportunity to wish the newly admitted Advocate & Solicitor all the very best in their legal career and future undertakings.
