Selangor Bar “Book Donation Drive - Turning Pages, Changing Lives” The Selangor Bar is proud to announce the launch of its '**Book Donation Drive**' campaign, an exciting charity project aimed at supporting children and teenagers in need.

The purpose of the drive is to collect a wide variety of books for students and teenagers, which was donated to selected orphanages and homes for underprivileged children in Selangor.

The response to the Book Donation Drive has been heartwarming, with numerous members contributing books. This collective effort reflects the strong sense of community and commitment within the Selangor Bar to give back to those in need.

As the campaign continues, the Selangor Bar Committee extends its gratitude to all those who have already donated and encourages more members to participate. Together, we can make a lasting impact on the lives of these young learners, providing them with the resources they need to succeed.

Deepavali Charity

The Selangor Bar organized a heartwarming event to celebrate Deepavali by reaching out to underprivileged children in Taman Sentosa Perdana, Klang. We distributed food and 'angpaos' to 40 children in the community. The gesture was aimed at spreading joy and ensuring that the festive spirit of Deepavali, a celebration of light, happiness, and prosperity, reached those who might otherwise have limited means to partake in the festivities.

Blood Donation Drive - Give Blood, Give Life – Be a Hero in Disguise

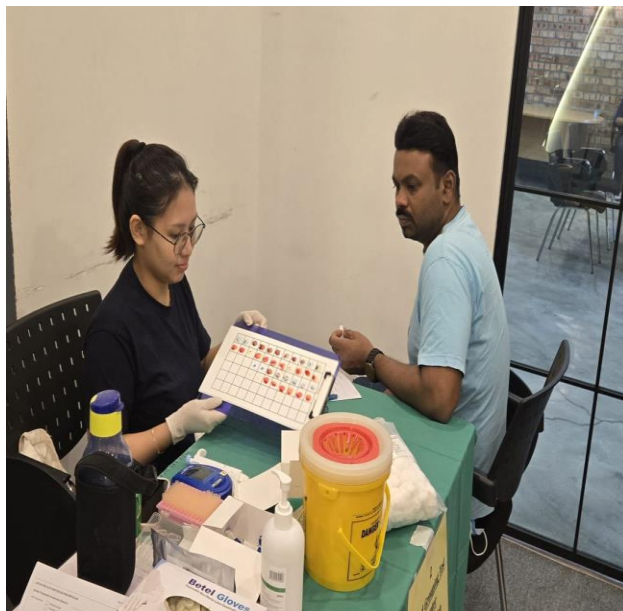

The Selangor Bar Committee, in collaboration with Hospital Tengku Ampuan Rahimah (HTAR) Klang, recently organized a successful Blood Donation Drive, demonstrating a collective commitment to the health and well-being of the community. The event, held with the goal of supporting local healthcare needs, was warmly embraced by members of the Selangor Bar and their families.

A total of 45 people attended and participated in this life-saving initiative, coming together as a united legal fraternity to make a meaningful impact. The blood donation drive was not only an opportunity to support a noble cause but also to promote the importance of giving back to the community in a way that directly saves lives.

Participants showed great enthusiasm and solidarity, with many expressing how fulfilling it was to contribute to the health and safety of others. Their generous contributions will help ensure that vital blood supplies are available for those in need at HTAR and other local medical facilities. This event underscored the spirit of charity and cooperation, reflecting the Selangor Bar's ongoing dedication to social responsibility.

The Selangor Bar Committee extends their sincere gratitude to all who attended and contributed to this important cause, and encourages continued participation in future initiatives that foster community well-being. Together, we can continue to make a difference in the lives of others.

Thank you.
